*Scripture: 1 Kings 19: 15-19 “Go back the way you came ...”*

#### **Biblical Character:**

Act the part of Elijah and leave the cave in Search of God's path for him. Your class members will almost panic when they are left alone in the cave without Elijah to guide them. But this celebration sets the stage for the next unit: “In Search of Elijah”. Tell the class that the next lesson will be taught in the palace of King Ahab. They will become time travelers to meet King Ahab and begin the search for Elijah.
