

## **Bookmark: “I Am Committed”**

Purchase craft foam paper and cut into 2"x8" strips. Purchase whole sheet print label pages and print the graphics provided in the Bookmark post under Appendix 8 Craft. Cut the labels to form stickers to be placed on the bookmarks by the students. As alternative, print labels on plain paper and glue to the foam bookmarks. Card stock paper may also be used instead of craft foam. Have each person write their initial on the bookmark.
