

Craft: Friend Arrow Pencil

Purchase large wooden pencils from any craft or dollar store. Print the provided sticker page on either print label material or plain paper and use glue. Print the “arrow fins” provided on card stock paper. Have the members glue the fins to the pencil and apply the sticker to the pencil. Write the name of a friend on the label as a reminder that friends love and protect each other.

Sticker reads: “The love of my friend, _____, is priceless.”
