

Craft: Passion Plant

Purchase a pack of plant pots, bags of potting soil, and Passion Plant (*Passiflora incarnata*) seeds from a local garden store. See this link for instructions on planting from seed:

<http://www.thegardenhelper.com/growingseeds.html>

Print the pot stickers provided on the print page for this craft in Appendix 8 Craft.

Have each member of the tribe prepare one pot with sticker and soil; and plant seed. Explain that the plant represents their passion to obtain the dream which God has for them. But for the dream and the plant to grow, it must be well cared for with proper nourishment. Have the members take the plant home and begin care of it.
