<sup>b</sup> Burning Bush: Flame Light, Hanging Mini Flame, 2 Bulb, AC Powered may be purchased online from [LittleBrightLights.com](http://LittleBrightLights.com) or [LightsforallOccasions.com](http://LightsforallOccasions.com). Purchase bush limbs from a craft store or use cut limbs. Place the Flame Light on the bucket and use the bush limbs to surround and hold the light.

<sup>c</sup> Tree of Knowledge: Purchase brown paper roll from home improvement store. Make a base and vertical support from wood. Cover Noodles with the brown paper to form tree limbs and attach to the frame with wire. Spray paint glow in the dark paint over the limbs and place glow in the dark worms or snakes on them. Purchase a black light and place it in location to shine on the tree. This should make a fairly creepy scene.

d Elijah's costume: Purchase some inexpensive, stripped or plaid material and fashion a robe to fit the instructor. Use a rope for the belt and attach a small bag to it. Use a piece of material to make a shepherds head piece. Cut a pole for a staff. Basically, Elijah should appear like a shepherd in the Bible.

e Spirit Woman: Obtain white material and fashion a robe and head piece. Use a purple strip of material for a belt. Try to make an American Indian woman.
